9. Any Good Till Canceled (GTC) orders may expire or be terminated by RHS or RHF in their ordinary course of business after the order has remained open for a reasonable period of time. Please contact RHF for more specific details. Until such expiration or cancellation, or cancellation by the customer, all open orders are considered good. When entering a substitute order, the responsibility for cancelling the original order rests upon the customer. Therefore, if a customer fails to cancel an existing order, transactions resulting from the execution of both the original and new order(s) will be entered into the customer's account.

RHF, when clearing through RHS, may share in such payments or may directly receive payment for order flow for certain transactions. Details are available upon written request.

14. If you request the sale of a non-marketable or worthless security, RHF will be the buyer to the transaction in the event a market cannot be located. In such a sale, you are deeming the security worthless and RHF thereby makes no representation regarding the present or future value of these securities. The transaction is irreversible and you will have no further claim to the securities and no claim against RHF for any losses related to the sale.

7. Upon written request and where available, further details of items herein will be provided including: the execution date and time, the counterparty when acting as agent, the detailed breakdown of fees and the remuneration details, if any, to RHS, or RHF for directing orders to select market participants and details of provisions that may cause a call or prepayment.

8. All transactions on this confirmation are presumed to be unsolicited unless noted otherwise.

9. Any Good Till Canceled (GTC) orders may expire or be terminated by RHS or RHF in their ordinary course of business after the order has remained open for a reasonable period of time. Please contact RHF for more specific details. Until such expiration or cancellation, or cancellation by the customer, all open orders are considered good. 14. If you request the sale of a non-marketable or worthless security, RHF will be the buyer to the transaction in the event a market cannot be located. In such a sale, you are deeming the security worthless and RHF thereby makes no representation regarding the present or future value of these securities. 5. Securities purchased and securities pledged as margin are or may be hypothecated for the sum due thereon or for a greater sum, under circumstances which permit commingling thereof with securities of other customers, all without further notice to the customer.

7. Upon written request and where available, further details of items herein will be provided including: the execution date and time, the counterparty when acting as agent, the detailed breakdown of fees and the remuneration details, if any, to RHS, or RHF for directing orders to select market participants and details of provisions that may cause a call or prepayment.

8. All transactions on this confirmation are presumed to be unsolicited unless noted otherwise.

9. Any Good Till Canceled (GTC) orders may expire or be terminated by RHS or RHF in their ordinary course of business after the order has remained open for a reasonable period of time. Please contact RHF for more specific details. Until such expiration or cancellation, or cancellation by the customer, all open orders are considered good. When entering a substitute order, the responsibility for cancelling the original order rests upon the customer. Therefore, if a customer fails to cancel an existing order, transactions resulting from the execution of both the original and new order(s) will be entered into the customer's account.

In such a sale, you are deeming the security worthless and RHF thereby makes no representation regarding the present or future value of these securities. The transaction is irreversible and you will have no further claim to the securities and no claim against RHF for any losses related to the sale.

5. Securities purchased and securities pledged as margin are or may be hypothecated for the sum due thereon or for a greater sum, under circumstances which permit commingling thereof with securities of other customers, all without further notice to the customer.

7. Upon written request and where available, further details of items herein will be provided including: the execution date and time, the counterparty when acting as agent, the detailed breakdown of fees and the remuneration details, if any, to RHS, or RHF for directing orders to select market participants and details of provisions that may cause a call or prepayment.

8. All transactions on this confirmation are presumed to be unsolicited unless noted otherwise.

9. Any Good Till Canceled (GTC) orders may expire or be terminated by RHS or RHF in their ordinary course of business after the order has remained open for a reasonable period of time. Please contact RHF for more specific details. Until such expiration or cancellation, or cancellation by the customer, all open orders are considered good. Please contact RHF for more specific details. Until such expiration or cancellation, or cancellation by the customer, all open orders are considered good. When entering a substitute order, the responsibility for cancelling the original order rests upon the customer. Therefore, if a customer fails to cancel an existing order, transactions resulting from the execution of both the original and new order(s) will be entered into the customer's account.

10. The responsibility to cancel an open order resides with the customer. Any transactions which result from the execution of any order which the customer has not instructed RHF/RHS to cancel will be entered into the customer's account.

11. The default Cost Basis Election or tax relief method used by RHS for tax preparing is First-In-First-Out (FIFO) for Equities. Please contact RHF if you wish to change the default tax-relief method for your account or specify different tax lots for liquidation.

12. Backup Withholding - if you have not provided us with your correct social security number/tax id number, under federal law, you may be subject to a \$50 penalty as well as backup withholding on certain payments.

13. RHS receives remuneration for directing orders to particular broker-dealers or market centers for execution. Such remuneration is considered compensation to the firm. The source and nature in connection with your transactions are available upon written request. RHF, when clearing through RHS, may share in such payments or may directly receive payment for order flow for certain transactions. Details are available upon written request.

14. If you request the sale of a non-marketable or worthless security, RHF will be the buyer to the transaction in the event a market cannot be located. In such a sale, you are deeming the security worthless and RHF thereby makes no representation regarding the present or future value of these securities. The transaction is irreversible and you will have no further claim to the securities and no claim against RHF for any losses related to the sale.

15. RHF receives payment from a third-party for services rendered in distributing new securities offerings.

Upon written request and where available, further details of items herein will be provided including: the execution date and time, the counterparty when acting as agent, the detailed breakdown of transaction fees (including regulatory trading fees) and the remuneration details, if any, to RHS, or RHF for directing orders to select market participants and details of provisions that may cause a call or prepayment.

8. All transactions on this confirmation are presumed to be unsolicited unless noted otherwise.

9. Any Good Till Canceled (GTC) orders may expire or be terminated by RHS or RHF in their ordinary course of business after the order has remained open for a reasonable period of time. Please contact RHF for more specific details. Until such expiration or cancellation, or cancellation by the customer, all open orders are considered good. When entering a substitute order, the responsibility for cancelling the original order rests upon the customer. Therefore, if a customer fails to cancel an existing order, transactions resulting from the execution of both the original and new order(s) will be entered into the customer's account.

10. The responsibility to cancel an open order resides with the customer. Any transactions which result from the execution of any order which the customer has not instructed RHF/RHS to cancel will be entered into the customer's account.

11. The default Cost Basis Election or tax relief method used by RHS for tax preparing is First-In-First-Out (FIFO) for Equities. Please contact RHF if you wish to change the default tax-relief method for your account or specify different tax lots for liquidation.

12. Backup Withholding - if you have not provided us with your correct social security number/tax id number, under federal law, you may be subject to a \$50 penalty as well as backup withholding on certain payments.

13. RHS receives remuneration for directing orders to particular broker-dealers or market centers for execution. Such remuneration is considered compensation to the firm. The source and nature in connection with your transactions are available upon written request. RHF, when clearing through RHS, may share in such payments or may directly receive payment for order flow for certain transactions. Details are available upon written request.

14. If you request the sale of a non-marketable or worthless security, RHF will be the buyer to the transaction in the event a market cannot be located. In such a sale, you are deeming the security worthless and RHF thereby makes no representation regarding the present or future value of these securities. The transaction is irreversible and you will have no further claim to the securities and no claim against RHF for any losses related to the sale.

15. RHF receives payment from a third-party for services rendered in distributing new securities offerings.
